

ACS Unveils New Retail Location in Wasilla

FOR IMMEDIATE RELEASE

November 18, 2009

Alaska Communications Systems announced today the relocation and opening of a new retail store in Wasilla.

The store, located at 1733 E. Palmer-Wasilla Highway directly in front of Fred Meyer, opened its doors to customers on Saturday, November 14. Open 9:00 a.m. to 8:00 p.m. Monday through Saturday and 10:00 a.m. to 6:00 p.m. on Sunday, the store offers expanded hours and features ACS' latest phones and accessories.

"We encourage everyone to stop by the new location in Wasilla. It's a beautiful new building close to all your shopping needs. With more than 4,000 square feet, our new store location will provide our customers with a great experience including convenience to other shopping and ample parking. They can compare wireless handsets, wireless Internet, our current special offerings and so much more," said Janet Klatt, director, retail sales and service.

The new location will have a grand opening celebration on December 4 including specials promotions, refreshments and more.

"The new Wasilla store also represents ACS' commitment to continue expanding our retail presence throughout the state. We invite everyone to come see our new and expanded space," Klatt added.

ACS' existing Wasilla store at 1590 E. Financial Dr. closed on Friday, November 13.

About Alaska Communications Systems

Headquartered in Anchorage, ACS is Alaska's leading provider of broadband and other wireline and wireless solutions to Enterprise and mass market customers. The ACS wireline operations include the state's most advanced data networks and the only diverse undersea fiber optic system connecting Alaska to the contiguous United States. The ACS wireless operations include a statewide 3G CDMA network, reaching across Alaska from the North Slope to Ketchikan, with coverage extended via best-in-class CDMA carriers in the Lower 49 and Canada. By investing in the fastest-growing market segments and attracting the highest-quality customers, ACS seeks to drive top and bottom-line growth, while continually improving customer experience and cost structure through process improvement.
